Harold E. Gillingham Esq
The American Numismatic Society.
New York City.

My dear Mr Gillingham:

Your letter to Miss Lane has been sent to me - and as provision was made in the rules to allow the Committee to place our "Cross of Service" in just such museums as yours I am sending your letter to the Officers now

in charge of the work.
It may require some
time to secure the
Cross - but I am sure you
will receive one eventually
Believe me

Yours very truly

Dear Mr.Noe:

I wrote the "Daughters of the Confederacy in the name of the Society,for a specimen of their new Medal. This letter explains it. We may have to wait sometime before it arrives,and I possibly may be away. Always open all mail addressed to me,and during my absence,answer it if possible.

Today I mail you a bound copy of "Les Croix des Guerres". This is the book I should have had in time to bring on Friday last.

Hastily,and with regards,

Sincerely yours,

Harrold E. Gillingham
